

Generosity & Strategy

You dream it. We help you make it happen. Central Florida Foundation has the expertise and the tools ready to put your generosity into action. From a customized approach to every philanthropic goal to concierge level service, our team is here for you.

Donor Advised Fund

A simple, flexible giving tool that allows you to make a tax-deductible transfer of cash, marketable securities, or complex assets that is immediately eligible for a charitable deduction. Then, you can recommend grants to favorite qualified nonprofits from the fund when the time is right.

Area of Interest or Designated Fund

Endowed funds that are an ideal way to target giving to specific areas or nonprofits that you care about. These funds are entrusted to Central Florida Foundation's experienced and professional team and are built to provide support to your chosen cause or nonprofit forever.

IRA Rollover Fund

If you are 70 ½ or older and you or your spouse has an IRA, you can establish an IRA Rollover Fund through what is called a Qualified Charitable Distribution (QCD). These funds are customizable at setup, then Central Florida Foundation carries out your wishes on how the funds are distributed over time.

Scholarship Fund

Support students pursuing higher education while honoring a loved one or establishing a legacy.

What You Can Give

We accept a wide range of assets.

- Cash
- Appreciated Securities
- Real Estate
- Life Insurance
- IRAs and other Qualified Retirement Plans/Funds
- Partnership Interests
- Bequests and Trusts
- Conversion of a Private Foundation

Your CFF Fund fuels twice the impact.

Large financial firms profit from the management fees you pay. When you work with Central Florida Foundation, every expense on your fund goes back into the community, making a CFF fund work twice as hard for our community. It fuels the work we do at CFF. Here, you are always a part of something bigger.
