BENEFITING 85 LOCAL NONPROFITS!

Thank you to everyone who is listed in this report, as well as to those who donated anonymously. The success of this year's Challenge is a testament to the Flathead Valley's deep generosity and shared purpose.

Each summer, the Great Fish Community Challenge transforms the Flathead Valley into a celebration of generosity and community spirit. This year's campaign was the most impactful yet with more than 4,000 donors contributing nearly \$6.7 million to 85 Flathead Valley nonprofits in just one month.

Participating nonprofits also received a **68% match** on \$25,000, thanks to Whitefish Community Foundation's growing Circle of Giving and the donors who gave to the Great Fish Match Fund. The Great Fish Match grew to \$1,372,532, resulting in a **\$17,000 grant** for each nonprofit that earned the maximum match. With an additional \$59,500 in incentive grants and special awards, the grand total awarded through this year's Great Fish Community Challenge is an astounding **\$8,098,663**, a 21% increase over 2024!

Whitefish Community Foundation organizes the Challenge free of charge for qualifying nonprofits, thanks in part to our sponsors. The estimated cost of organizing and hosting the Challenge was approximately \$368,000, a value of over \$4,300 to each participating nonprofit.

Since its inception in 2015, the Great Fish Community Challenge has raised more than **\$43 million** for over **100 local nonprofits**, creating lasting change across the Flathead Valley. Behind these numbers are countless acts of kindness—families giving together, businesses rallying employees, retirees contributing quietly, and new residents joining in to support local causes. Each donation, large or small, helps build something extraordinary.

MEET THE CHALLENGERS

THE CIRCLE OF GIVING

The Circle of Giving is our core group of donors who make an annual gift of \$5,000 or more to support the grant programs and mission of Whitefish Community Foundation. Circle donors pool their resources to multiply their impact and provide critical funding to hundreds of local nonprofits serving the Flathead Valley.

The Circle of Giving makes the Great Fish Community Challenge possible by seeding the Great Fish Match Fund and inspiring individuals, families, and businesses to support the programs and projects of Flathead Valley nonprofits.

Thanks to the Circle of Giving and thousands of community donors, the Great Fish Community Challenge is transforming lives in the Flathead Valley.
