# WHITEFISH COMMUNITY FOUNDATION

## WHITEFISH COMMUNITY FOUNDATION

# GIVING TOGETHER CREATES IMPACT

At **WHITEFISH COMMUNITY FOUNDATION**, our mission is to advance giving. It is to inspire giving. Giving that will impact our community and those in need. Giving that will enrich our culture and our lives. Giving that will restore families and strengthen our community. Giving that will improve the lives of our neighbors and giving that will change things for the better. **We know that when we give together, we can accomplish so much more.**

## Doug and Nikki Reed

*"Whitefish has given our family such a tremendous quality of life not only with the mountains, trails, and waters, but most of all, the people in the community. We feel that participating in the Circle is a meaningful and far-reaching way to give back." –Doug & Nikki Reed*

Doug and Nikki Reed have been active in the Whitefish community for years. Both graduates of Whitefish High School, Doug went on to University of Colorado, Boulder, and Nikki spent several years in Massachusetts, Colorado, and then University of Montana. They returned to Whitefish, later married, and went on to lead active community careers. Today, Nikki is an English teacher at Whitefish High School and Doug is the owner/operator of the Whitefish Lake Golf Club Restaurant. With busy careers and children very active in soccer, music, and ski racing, they still find time to be community volunteers and philanthropists, supporting the Whitefish Trail, North Valley Music School, and the Whitefish Community Foundation's Circle of Giving. Doug has served eight years on the Foundation's Board of Directors and two years as the Chair of the Community Grant Program. Nikki spends her free time assisting with the Whitefish High School Freeflow Club, a program that encourages STEM education and career paths for both young men and women.

## Rhona and Jerry Meislik

*"We built our Big Mountain home in 1994 and moved to Whitefish permanently in 2000. We love living here and enjoy giving back to the community. Using the Whitefish Community Foundation has made our giving and tax planning much easier. The Foundation is fast, efficient, and the staff is very knowledgeable and helpful. Using the Foundation has allowed us to focus on what we enjoy doing most—being retired and taking advantage of all the area has to offer." –Rhona & Jerry Meislik*

Avid supporters of many local charities, Rhona and Jerry Meislik enjoy giving back to the community. Living on Big Mountain, they support the Big Mountain Firefighters. Rhona served as a Trustee on the Fire Board and now is treasurer of the Big Mountain Firefighters Association. They also give to many local charities and volunteer for Glacier Symphony and Chorale. After working with Whitefish Community Foundation for several years to build endowments using the Montana Charitable Endowment Tax Credit, they decided to move their Donor Advised Fund over to the Community Foundation as well.

## Dave and Judy Williams

*"We count ourselves very lucky to be part of the Flathead Valley, with so many like-minded individuals who believe that the health of a community depends on the desire of individuals to work together for the wellbeing of the whole."*

—Dave & Judy Williams

After a serendipitous visit to Whitefish in 2000 that helped them reprioritize the direction of their lives, Dave and Judy Williams decided to make Whitefish their permanent home in 2005. Hiking, skiing, fly fishing, the Flathead Valley offers much to enjoy.

Making time to give back to the Flathead Valley community is an activity that has remained a priority for them during the last decade. Dave has been active with Habitat for Humanity for the past twelve years; in partnership with countless volunteers and dedicated Habitat staff, he and Judy have helped 38 hardworking families gain simple, decent, and affordable housing. Dave and Judy have also had the privilege to volunteer with the Whitefish Veterans Support Team, a group of Whitefish volunteers dedicated to helping injured veterans transition from military to civilian life. Additionally, they are fortunate to be able to offer the Whitefish Community Foundation financial support to benefit the many nonprofits in Flathead Valley that do such meaningful work with local individuals and families.

## FROM THE CHAIRMAN

**"2017  
WAS A VERY ACTIVE AND  
SUCCESSFUL YEAR FOR  
THE FOUNDATION."**

## GROWING TO SERVE

Many of our activities will be highlighted throughout this report so I want to focus this year on one effort, our Circle of Giving, which has become the core of the Whitefish Community Foundation's annual giving. This group believes strongly in the benefits that are derived from supporting the charitable efforts of our community. The annual giving to the Circle of Giving allows our charities to better serve the increasing needs of our area.

The Circle of Giving is made up of a group of very generous individuals who donate substantial amounts to the Foundation annually, this year's giving ranged from \$5,000 to \$40,000. This effort has become the core of our financial support for the Great Fish Community Challenge, community grant programs, our emergency grants and our major grant program. Thank you to these donors for their generous support and I would ask those who are not yet members to consider joining the Circle of Giving in 2018.

I also want to recognize our President, Linda Grady, who spearheads all that we accomplish at the Foundation. This February the Whitefish Chamber of Commerce awarded Linda the "Great Whitefish Award," their lifetime achievement award for someone who has made outstanding contributions to the Whitefish Community. All of us are proud of what Linda has achieved for our community, congratulations Linda, well deserved.

WHERE GIVING  
INSPIRES

It is thanks to our generous donors that make up the Circle of Giving that the Community Grant Program and the Great Fish Challenge have grown to be such necessary programs today, benefitting our local nonprofits.

## CIRCLE OF GIVING

**THE CIRCLE OF GIVING** is a group of extraordinary individuals giving together to make great things happen in our community. Circle donors contribute from \$5,000 to \$40,000 annually to support the Foundation's Community Grant Program and the Great Fish Community Challenge. The generosity of our Circle donors inspires increased giving during the Great Fish Community Challenge to support the tremendous work of our local nonprofits. Thank you for what you do in our community!

# COMMUNITY GRANT PROGRAM

**COMMUNITY GRANT PROGRAM** began in 2000 as a way to assist and improve local nonprofit's ability to serve the community.

Thanks to the generosity of the Circle of Giving and individual donors, Whitefish Community Foundation strategically grants over \$100,000 a year through the Community Grant Program to important and even critical issues in Whitefish. Grant requests are reviewed by a committee comprised of Foundation Board members and volunteers who are all community involved.

GREAT FISH COLOR RUN AND COMMUNITY CELEBRATION

**THE GREAT FISH COMMUNITY CHALLENGE** in just three years running has raised over \$4.5 million for more than 50 local charities. The Challenge is an innovative fundraiser that raises awareness for nonprofits and inspires our community to give during the eight-week campaign.

By matching donations to the participating nonprofits, Whitefish Community Foundation, through the Great Fish Community Challenge, has inspired hundreds of donors to give to enrich our community and change lives for the better.

## FRIENDS OF THE FLATHEAD AVALANCHE CENTER

“The monies raised by the **FRIENDS OF THE FLATHEAD AVALANCHE CENTER** through this program allow for the sort of outreach that makes Flathead Avalanche Center’s seven-day-a-week advisories accessible to our community. Measuring the advances in FOFAC’s programming made possible thanks to the Great Fish Community Challenge is simple when merely looking at numbers. Over 600 more students have been exposed to Snow Safety training this season than last, and a third of those learners are youth. However, the impact of the support of the Great Fish goes far beyond numbers. Intangibles such as adults thinking twice before ducking under a resort boundary rope, youth sticking with their buddies after experiencing a Know Before You Go presentation and field day, and a community conversing about the heuristic traps that lead to avalanche fatalities, are difficult to measure, but the impact of these changes is certain.”

**USE OF FUNDS:** Provide avalanche education materials and instruction for 5th-12th grade students, adults and a regional avalanche workshop. Additional funding will be used to purchase and install a weather station between Tunnel and Paola Creeks in the Middle Fork of the Flathead.

*(Photo):* Participants put their new knowledge to use in the Friends of the Flathead Avalanche Center Ladies Intro to Avalanche course.

## CENTER FOR FLATHEAD RESTORATIVE YOUTH JUSTICE

“Participating in the Great Fish Community Challenge has allowed **CRYJ** to expand opportunities for youth in the Flathead Valley. Because of this support many of the Valley’s most ‘at-risk’ youth now have access to empowerment and skill-building workshops and experiences.”

**USE OF FUNDS:** Funds raised through the Great Fish Community Challenge will provide at-risk youth with job skills training and mentorship—covering wages, uniforms, and food costs associated with garden-to-table Supper Club. In addition, a seasonal farm manager position, as well as garden supplies, and equipment will be funded.

# GREAT FISH IMPACT!

## FLATHEAD CANCER AID SERVICES

“**FLATHEAD CANCER AID SERVICES** received \$30,655 from the 2017 Great Fish Community Challenge. One patient we are assisting is a seventy-three year old gentleman, diagnosed in 2014, on a fixed income for two of \$950/month. He continues to struggle with the extra costs of living that cancer has created. We recently paid for new tires, brakes, and a new windshield for his vehicle. For a rent reduction during the winter months, he plows snow on the property for the other tenants. To continue to do so this winter, repairs on his plow were needed so we paid for those.”

**USE OF FUNDS:** Raised funds will be used to pay the bills of eligible cancer patients and the families of pediatric cancer patients during their treatment. Additional funds will cover supplements often needed by oncology patients to maintain overall well being and hasten recovery from chemotherapy treatments.

*(Photo):* National Cancer Survivor’s Day attendees are all smiles at Flathead Cancer Aid’s Butterfly Release.

## CASA

“The Great Fish Community Challenge has been instrumental in creating community awareness and excitement around supporting **CASA FOR KIDS OF FLATHEAD COUNTY**, along with many other wonderful local nonprofits. It has also enabled us to reduce the number of fundraising events we host every year and focus that time and energy on fulfilling our mission of providing an advocate to every abused and neglected child in Flathead County.”

**USE OF FUNDS:** Every foster child needs a guardian ad litem (GAL) to make sure their best interests are served. Funds help train and support CASA/GAL Advocates, and help provide specialized training through Fostering Futures in order to supply additional support and skill building opportunities.

*(Photo):* Great Fish Community Challenge helps CASA staff and volunteers promote awareness to further their cause.

## GREAT FISH AWARD

# SPECIAL AWARDS

Whitefish Community Foundation recognizes the work of outstanding nonprofits each year with special awards that also pay tribute to the memory of special individuals we have lost. The nonprofits are selected for their dedication to enriching our community and making an impact on our community.

**WAG-WHITEFISH ANIMAL GROUP** operating the Whitefish Dog Park received the Great Fish Award for the significant benefit they provide the community and their outstanding participation in the Great Fish Community Challenge helping to raise awareness of the campaign for all the charities involved. The award comes with a \$5,000 grant.

## DORIS SCHUMM COMMUNITY SPIRIT AWARD

**PROJECT WHITEFISH KIDS** received the Doris Schumm Community Spirit Award for their dedication and work toward building a playground and pavilion at Smith Fields.

Doris Schumm was a dear friend to the Whitefish community and the Whitefish Community Foundation. Her bequest to the Foundation in 2011 established the Doris Schumm Community Spirit Award. Now in its 6th year, the special award recognizes an organization that embodies the spirit for community that Dorie embraced. This special honor comes with a \$2,500 grant.

## RUSS AND MARY JANE STREET COMMUNITY SERVICE AWARD

**WHITEFISH LAKE INSTITUTE** received the Russ and Mary Jane Street Community Service Award for their commitment to preventing the invasion of aquatic invasive species in Whitefish Lake.

The Russ and Mary Jane Street Community Service Award recognizes the important work a nonprofit provides to the community and honors the spirit of Russ and Mary Jane Street's bequest to our community. This special award comes with a \$2,500 grant.

## JEAN HOWARD MEMORIAL AWARD

**MONTANA EQUESTRIAN EVENTS-HALT CANCER AT X INITIATIVE** for their dedicated work to support nonprofits working to prevent cancer and assist individuals who have cancer.

The Jean Howard Memorial Award was established in 2016. Although Whitefish was Jean's second home, the Whitefish Community Foundation and the community of Whitefish always came first. Jean cherished the first rate performing arts in Whitefish and the sense of community. Each year Jean supported many charitable causes in Whitefish and was active with the Whitefish Community Foundation. This special recognition comes with a \$2,500 grant.

## GIVING BACK TO OUR COMMUNITY WHITEFISH MOUNTAIN RESORT

Since inception, over \$950,000 from the **PATRON SKI PASS PROGRAM** has been awarded to area nonprofits through the generosity of WHITEFISH MOUNTAIN RESORT.

In 2017, the program provided over \$111,351 in support to 60 local non-profit organizations around the Flathead Valley. And, it is an annual source of support for the charitable work of the Whitefish Community Foundation.

The program makes possible the free ski pass program for 5th grade students each year. It is a major source of funding for DREAM Adaptive Recreation, supporting their work to assist individuals with disabilities, so they can enjoy winter recreation through the adaptive skiing program.

The Patron Pass Program also provides significant annual support to Alpine Theatre Project, Glacier Symphony and Chorale, and Whitefish Theatre Co. and, it provides funding for over 40 organizations supporting the health and human service needs in our surrounding communities.

**Thank you Patron Ski Pass holders and Whitefish Mountain Resort for your continued support for our community!**

## BRIGHTER FUTURES

## SCHOLARSHIP FUNDS

Establishing a scholarship fund is a common charitable goal for many individuals and organizations. It is a wonderful way for donors to give back to the community in recognition of their appreciation for education.

### Consider establishing a scholarship fund:

- When you want to make a difference in the lives of others
- Because you see the potential in every student
- Because you understand a college degree increases lifetime earning potential
- To memorialize a loved one
- Because you share a belief that each student should have this opportunity regardless of their financial situation

Setting up your own named scholarship fund is great way to support the education dreams of the youth and returning adult students in our community.

Whitefish Community Foundation makes it easy for you to establish a scholarship fund. We will help you develop the selection criteria, distribute scholarship applications in the community, and handle all the administration of the program.

Scholarship (Restaurant Industry Scholarship Endowment administered by the Whitefish Community Foundation) attends the University of Montana, and studies Exercise Science. Her long-term goal is to become a Physician's Assistant. GRG, R.I.S.E. Scholarship is funded by the Glacier Restaurant Group through their Round It Up America program.

*(Bottom left):* "This year as a master's student has flown by. While it has been the toughest yet, it has also been the most rewarding. All my regular coursework is wrapping up, so I am currently finishing up projects and prepping for finals. At the same time tax season is quickly approaching its end. I will very much miss working as a volunteer income tax preparer, but I am looking forward to April when we begin studying for the CPA exams! It is a busy time, but I am very lucky to be doing what I am. I have been blessed with so many opportunities that would not have been possible without MacKenzie River Pizza Co., Glacier Restaurant Group, and the Whitefish Community Foundation."

WHITEFISH LAKE  
GOLF CLUB

## WHITEFISH LAKE GOLF CLUB

The **PATRON GOLF PASS PROGRAM** offers a limited number of transferable golf passes or two individual season passes. Since its inception in 2007, over \$99,000 from the sale of golf passes has benefited the Community Foundation's charitable work supporting our nonprofit community. Programs like the Patron Ski and Patron Golf provide necessary funding for the operations of the Community Foundation to ensure that the unrestricted donations to the foundation go to the many community grant programs offered each year.

**Thank you Patron Golf Pass holders, Whitefish Lake Golf Club, Pro Shop, and Whitefish Lake Restaurant!**

# BUILDING SUSTAINABILITY

## ENDOWED PHILANTHROPY

The Whitefish Community Foundation places high priority on developing endowment funds to increase sustainability for nonprofits. The Community Foundation helps local nonprofits build endowment funds through education, awareness, and grant programs. The following nonprofit organizations have set up permanent, non-revocable endowment funds with the Whitefish Community Foundation, demonstrating their commitment to building a sustainable source of funding to ensure the future of their programs:

- Alpine Theatre Project
- Back Country Horsemen of the Flathead
- Bob Marshall Wilderness Foundation
- CASA for Kids
- Child Bridge
- First Presbyterian Church of Whitefish
- Glacier Nordic Club
- Glacier Symphony and Chorale
- Human Therapy on Horseback
- Humane Society of NW Montana
- North Valley Food Bank

### THE MONTANA ENDOWMENT TAX CREDIT

The Montana Endowment Tax Credit helps build charitable endowments while offering donors a federal income tax savings and a state tax credit. If you are interested in learning how you can earn up to \$10,000 in a state tax credit (\$20,000 if filing jointly) call us at 406-863-1781 or visit [www.whitefishcommunityfoundation.org](http://www.whitefishcommunityfoundation.org).

## WHITEFISH COMMUNITY LIBRARY

"The Whitefish Community Foundation and the Whitefish Community Library have been partners for many years. Being the 5th largest library in the state, with our major source of funding provided by City of Whitefish taxpayers, requires careful budgeting—especially since our service area extends far beyond Whitefish and Flathead County. Our endowment provides funding for items the budget cannot cover. The Whitefish Community Library is confident that our endowment is being managed by the professional team at the Whitefish Community Foundation and this partnership has ensured that our community has access to all the services that larger libraries offer. Their support is vital to our continued growth and success."

## HUMANE SOCIETY OF NORTHWEST MONTANA

"Providing life-saving care for homeless pets is a 24/7 commitment, there are no holidays. To meet our mission, we depend on community support and sustainable sources of income, which is why our Whitefish Community Foundation Designated Endowment Fund is so critically important. Our Endowment Fund enriches the quality of life for homeless cats & dogs by providing them with critical animal care and it affirms our life-long commitment to pets and the people who love them. We are honored to partner with the Whitefish Community Foundation."

## NORTH VALLEY HOSPITAL

"Our organization is grateful that the Whitefish Community Foundation manages our endowment. We can assure our donors that the endowed funds are handled by experts who are knowledgeable and professional. The benefit we get for this well-organized and quality service is recognized by our donors, supporters, volunteers, and staff."

## DONOR ADVISED FUNDS

SHEPHERD'S HAND

ALPINE THEATRE PROJECT

With a Whitefish Community Foundation **DONOR ADVISED FUND**, you make a gift to establish your fund and then you can take your time deciding which organizations to recommend for grants. There is only one tax receipt to keep track of and one check to write. A Donor Advised Fund allows you to organize all your charitable activities through one professionally managed and cost-effective charitable vehicle. The Community Foundation will do all the work for you.

By holding your fund with the Whitefish Community Foundation, your administrative fees are supporting programs benefitting your community and making it possible for the Foundation to expand its charitable impact.

### CREATING A DONOR ADVISED FUND IS SIMPLE:

- You make a gift of \$5,000 or more to establish a fund, and receive an immediate tax deduction. Additional gifts can be made to grow your fund.
- You recommend grants from your Donor Advised Fund to all your favorite 501(c)(3) charities no matter where they are located.
- We offer online fund access 24 hours a day and online grant submission so that you can access your fund from anywhere.
- Administrative fee of .60% or less is charged annually.
- We offer confidentiality in all your charitable giving.
- You will have access to our due diligence on all your grants and our annual Community Connections newsletter.
- We offer flexible and strategic investment options as part of our \$21 million portfolio (2017) so that you can invest your fund and grow your charitable dollars over time.

## ENRICHING OUR FUTURE

### ENRICHING THE FUTURE OF WHITEFISH

The Legacy Society recognizes donors who have made a gift to the Whitefish Community Foundation in their will or estate plans. Planned gifts may include revocable and irrevocable bequests, trust arrangements, life insurance, deferred gift annuities, and Legacy Funds.

If you have made a gift provision in your will please let us know so that we can recognize your generosity in your lifetime.
